Subsidized Summer Youth Employment Program

Part A – Eligibility and Low-Income Requirements

As detailed in WD Letter 16-10, Change 1, Local Workforce Development Boards (Boards) must document the eligibility of youth participating in the Subsidized Summer Youth Employment Program (SSYEP), and served with American Recovery and Reinvestment Act (ARRA) of 2009/Temporary Assistance for Needy Families (TANF) Emergency Contingency Funds (ECF).

Part A of this guide provides:

- information on eligibility and low-income requirements; and
- procedures for documenting and verifying eligibility.

Eligibility Requirements

To be eligible to participate in SSYEP, a youth must meet the following eligibility requirements:

- Youth is 16 through 24 years of age.
- Youth is a U.S. citizen or a noncitizen authorized to work in the United States.
- Youth is defined as low income.
- ~~Youth is not a foster youth.~~

Documenting and Verifying Eligibility

Age

Youth must be 16 through 24 years of age on the first day of subsidized employment, regardless of age at eligibility determination. If youth become 25 years of age before the first day of subsidized employment, they do not meet the age eligibility requirement.

Authorized to Work in the United States

Youth must be citizens or noncitizens authorized to work in the United States. They must:

- provide acceptable documentation verifying they are authorized to work in the United States; or
- complete the Citizenship/Eligible Noncitizen Status and Authorization to Work form, available in this guide in *Part C, Eligibility Documentation Forms*.

This form includes a list of acceptable documents for verifying a job seeker's authorization to work in the United States. Instructions for completing and maintaining the form also are available in Part C.

Low Income

To participate in SSYEP, youth must:

- reside with family members; and
- be low income.

Family Member Qualification

A youth is considered to reside with family members if the youth is:

- a member of, and resides in, a household with a parent, legal guardian, or adult relative*, where the household consists of two or more persons related by blood, marriage, or decree of court, who are living in a single residence;
- a pregnant or parenting youth age 16–24;
- a noncustodial parent** age 16–24; or
- married and living in a household with his or her spouse.

*Adult relative includes:

- father or mother, including the “step” relationship;
- grandfather or grandmother, including “step” relationship, extended to the degree of “great-great-great”;
- brother or sister, including “step” relationship;
- uncle or aunt, extended to degree of “great-great”;
- niece or nephew, extended to degree of “great-great”; and
- first cousin, extended to degree of once removed.

**A noncustodial parent is a parent who does not have physical and/or legal custody of his or her child by court order.

Boards may use self-attestation to document whether a youth is residing in a household with a parent, legal guardian, or adult relative.

Boards must be aware of the following:

- **Youth not currently living in a household due to temporary or voluntary residence elsewhere (e.g., attending school or college)—who can be claimed as a dependent on the income taxes of a parent, legal guardian, or adult relative—can be considered as residing in a household for the purposes of SSYEP eligibility.**
- **In lieu of income tax returns, self-attestation can be used to document that the youth is claimed as a dependent of the parent, legal guardian, or adult relative.**

Low-Income Qualification

Applicants who meet any one of the following criteria qualify as low income:

- Household receives TANF benefits.

- Household receives Supplemental Nutrition Assistance Program (SNAP) benefits.
- Youth receives Children’s Health Insurance Program (CHIP) benefits.
- Youth receives Medicaid benefits.
- Household receives subsidized child care through the Child Care and Development Fund (CCDF).
- Household is eligible for or receives subsidized public housing assistance.
- Household participates in the U.S. Department of Agriculture Food and Nutrition Services’ Women, Infants, and Children (WIC) program.
- Youth receives free or reduced-cost school lunch.
- Youth is eligible for, or enrolled in, Workforce Investment Act (WIA) youth services.
- Youth whose family income is 200 percent of or below the U.S. Department of Health and Human Services’ (HHS) Poverty Guidelines or the U.S. Department of Labor’s (DOL) Lower Living Standard Income Level.

Boards may establish more restrictive standards for determining low-income status. For example, if the local school district does not assess family income to determine eligibility for free or reduced school lunch, the Board may choose not to allow receipt of free or reduced school lunch as a criterion for low-income qualification.

Documenting and Verifying Low Income

Household Receives TANF Benefits

If using this criterion, the household must be determined eligible for, or already be receiving, TANF benefits. The youth must be named on the grant.

Household Receives SNAP Benefits

If using this criterion, the household must be determined eligible for, or already be receiving, SNAP benefits. The youth must be named on the grant.

Youth Receives CHIP Benefits

If using this criterion, the youth must be determined eligible for, or already be receiving, CHIP benefits.

Youth Receives Medicaid Benefits

If using this criterion, the youth must be determined eligible for, or already be receiving, Medicaid benefits.

Household Receives Subsidized Child Care through CCDF

If using this criterion, the household must be determined eligible for, or already be receiving, subsidized child care through CCDF.

Household Is Eligible for or Receives Subsidized Public Housing Assistance

If using this criterion, the household must be determined eligible for, or already be receiving, subsidizing public housing assistance. If the household is eligible for subsidized public housing assistance, the eligibility must be current.

Household Participates in WIC

If using this criterion, the household must be determined eligible for, or already be receiving, WIC services.

Youth Receives Free or Reduced-Cost School Lunch

If using this criterion, the youth must have received free or reduced-cost school lunches during the 2009–2010 school year.

Youth Is Eligible for, or Enrolled in, WIA Youth Services

If using this criterion, the youth must be determined eligible for, or already be enrolled in, WIA youth services. Youth determined eligible for WIA youth services using the Five Percent Eligibility Exemption, and disabled youth considered a family of one for WIA income determination purposes, are included in this criterion. Youth receiving WIA youth follow-up services qualify for this criterion if the period of participation (POP) has not officially closed (90 days with no qualifying service). WIA eligibility expires when the POP [associated with the *WIA Program Detail* in The Workforce Information System of Texas (TWIST)] officially ends. The youth must be part of a family and not have applied for WIA youth services as a family of one, with the exception of disabled youth who are considered a family of one for income determination purposes.

Youth Whose Family Income Is 200 Percent of or below HHS’s Poverty Guidelines or DOL’s Lower Living Standard Income Level

If using this criterion, the youth must receive an income or be a member of a family receiving an income that, in relation to family size, is not in excess of the current combined 200 percent of HHS’s Poverty Guidelines and DOL’s Lower Living Standard Income Level, included in *Part D, Income Guidelines*.

Family Size

A youth’s family includes all persons related by blood, marriage, or decree of court, who are living in a single residence.

To determine family size, use the Self-Certification of Family Status form, included in *Part C, Eligibility Documentation Forms*.

If a youth claims, for the purpose of defining his or her family, to be in a common-law marriage, Boards must ensure that written attestation affirming this fact is obtained from both parties. Texas Family Code §1.91 et seq. requires that individuals in an “informal” marriage (i.e., common-law marriage) be at least 18 years of age.

For purposes of family income determination, Boards must not consider a youth a family of one.

Determining Income

The income guidelines are based on 13 weeks of income. Income needs to be collected only for 13 weeks. To calculate the 13-week eligibility period:

1. Not counting the current month, count back three months from the application date.
2. Find the same week of the month and the same day of the week as the application date.
3. This is the beginning of the 13-week period. The end of the 13-week period is the day before the application date.

Boards must use this 13-week eligibility period to determine an annual income. To calculate the annual income:

- determine the income for the 13-week period; and
- multiply the 13-week period income by 4.

Excluded Income

For the purpose of determining income eligibility, the following are excluded from income:

- Unemployment insurance benefits
- Needs-based scholarship assistance
- Financial assistance under Title IV of the Higher Education Act—Pell Grants, Federal Supplemental Educational Opportunity Grants and Federal Work Study, PLUS, Stafford, and Perkins loans—which is debt and not income
- Child support payments
- Cash welfare payments (including TANF, Supplemental Security Income, Refugee Cash Assistance, General Assistance, emergency assistance, and general relief)
- One-time income received in lieu of TANF cash assistance
- Income earned while a veteran was on active military duty and certain other veterans' benefits (compensation for service-connected disability, compensation for service-connected death, vocational rehabilitation, and education assistance)
- Regular payments from Social Security, such as Old-Age and Survivors Insurance
- Lump sum payments received as assets in the sale of a house, where the assets are to be reinvested in the purchase of a new home
- Payments received as the result of an automobile accident insurance settlement that are being applied to the repair or replacement of an automobile
- Foster care payments
- Any withdrawal from an Individual Development Account for the purchase of a home, medical expenses, or educational expenses
- One-time cash payment, including tax refunds; loans, which are debt and not income; one-time insurance payments; gifts; and lump sum inheritances
- Noncash benefits such as employer-paid fringe benefits, food, or housing received in lieu of wages, Medicare, Medicaid, SNAP benefits, school meals, and housing assistance

Note: When a federal statute specifically provides that income or payments received under such statute must be excluded in determining eligibility for the level of benefits received under any other federal statute, such income or payments must be excluded in SSYEP eligibility determination (e.g., adoption subsidies).

Include any income that is not specifically excluded from income above.

Subsidized Summer Youth Employment Program

Part B – Eligibility Documentation Log

To assist Local Workforce Development Boards (Boards) in ensuring compliance with Subsidized Summer Youth Employment Program (SSYEP) requirements, the Texas Workforce Commission has developed a log that Boards must use to verify youth eligibility and to record documentation sources.

General Instructions

The procedures and documentation log included in this section have been developed to help Boards comply with SSYEP documentation and verification requirements. Determination of a youth's eligibility is based on the documentation collected to verify eligibility prior to enrollment in SSYEP. Hard or electronic copies of the documentation identified on the documentation log are required. Boards must ensure that all documentation is retained in the youth's file.

Boards are not required to use this documentation log form. Boards can create their own documentation log form; however, all required data elements must remain the same.

Application Date

Record the month, day, and year the application process was started.

Eligibility Determination Date

Record the month, day, and year the applicant was determined eligible.

Name

Record the job seeker's last name, first name, and middle initial.

Sources of Documentation

Only acceptable documents listed in the log (e.g., birth certificate, ID card, letter) can be used to determine eligibility.

Because the burden of proof and the responsibility for eligibility lies with the Boards, Boards must be aware that liability for ineligible participants increases each time an alternative source is used.

Boards must ensure that Texas Workforce Center staff:

- completes the documentation log;

- checks the box to the left of each document collected and used in verifying a youth's eligibility; and
- verifies eligibility before a youth participates in SSYEP.

Subsidized Summer Youth Employment Program

Part C – Eligibility Documentation Forms

The Texas Workforce Commission has developed standardized forms to assist Local Workforce Development Boards (Boards) in collecting the information necessary to verify the Subsidized Summer Youth Employment Program (SSYEP) eligibility criteria. See *Part B, Eligibility Documentation Log*, for a list of acceptable documents. Boards may modify these forms to meet their specific needs; however, all required data elements must remain the same.

The following instructions and SSYEP forms are included in this part:

- Instructions for Completing the Telephone Verification/Document Inspection Form
- Telephone Verification/Document Inspection
- Instructions for Completing the Self-Certification Form
- Self-Certification
- TWIST System Inspection
- Employment/Income Verification
- Instructions for Completing the Self-Certification of Family Status Form
- Self-Certification of Family Status
- Instructions for Completing the Citizenship/Eligible Noncitizen Status and Authorization to Work Form
- Citizenship/Eligible Noncitizen Status and Authorization to Work

Instructions for Completing the Telephone Verification/ Document Inspection Form

If there is no other documentation to verify SSYEP eligibility, eligibility can be verified with governmental or social service agencies over the phone, or by document inspection. Boards must ensure that Texas Workforce Center staff records the obtained information on a standardized form, such as the Telephone Verification/Document Inspection form. See *Part B, Eligibility Documentation Log*, for eligibility criteria.

The form serves two purposes:

Telephone Verification—used to verify eligibility through governmental, private, or social service agencies.

Examples of agencies that may assist in verifying information by telephone are:

- local schools;
- U.S. Social Security Administration;
- U.S. Department of Veterans Affairs;
- medical and health facilities;
- vocational rehabilitation facilities;
- housing authorities; and
- other state or local agencies.

In some cases, the information an agency provides by telephone is sufficient to satisfy the multiple eligibility criteria.

Boards must ensure that telephone verification includes the name of the agency representative verifying eligibility.

Document Inspection—used when documents cannot be copied, or if program recruitment is being conducted in the field.

Information recorded must be adequate enough to allow a monitor or auditor to trace the information back to the agency providing the information, or to the document used.

Instructions for Completing the Self-Certification Form

Many of the documents necessary to verify SSYEP eligibility are readily available through various agencies and other sources. In some cases, such as eligibility to work, specific documentation is required.

Self-certification of income must only be used in cases where the individual in question received no income during the 13-week eligibility determination time frame. To use self-certification as documentation, the Self-Certification form must be completed as follows.

If a job seeker states that he or she cannot provide evidence that no income was received during the past 13 weeks and that he or she was unemployed for that period, enter this information in the blank spaces following the words “I hereby certify, under penalty of perjury, that the following information is true.”

For example, to verify a lack of income using self-certification, complete the Self-Certification form as follows:

“I have received no income from any source during the past 13 weeks. I have been unemployed during that time, and have been supported by donations/contributions from relatives and friends.”

SELF-CERTIFICATION

I HEREBY CERTIFY, UNDER PENALTY OF PERJURY, THAT THE FOLLOWING INFORMATION IS TRUE:

I ATTEST THAT THE INFORMATION STATED ABOVE IS TRUE AND ACCURATE, AND UNDERSTAND THAT THE ABOVE INFORMATION, IF MISREPRESENTED OR INCOMPLETE, MAY BE GROUNDS FOR IMMEDIATE TERMINATION OF SSYEP-FUNDED SERVICES AND/OR PENALTIES, AS SPECIFIED BY LAW.

Instructions for Completing the Self-Certification of Family Status Form

The Self-Certification of Family Status form must be used to establish family size for determining income.

The purpose of this form is to verify a youth's family status at time of application by documenting the size and makeup of the youth's family. This form is necessary only when eligibility is based on family income for the past 13 weeks.

Boards must ensure that Texas Workforce Center staff assists the youth with completing the form to ensure it is completed correctly. The youth then takes the form to be signed by a witness who can corroborate the information provided.

Family Member Name(s)/Relationship to Job Seeker

- List the names of all family members living in the job seeker's residence.
- Indicate the relationship of each family member to the job seeker.

Names/Location/Reason

List the names of any family members not currently residing in the job seeker's residence.

The youth must sign the form.

A corroborating witness must sign the form attesting to the accuracy of the given information. The corroborating witness may live in or out of the residence, and may or may not be related to the youth. The witness must have verifiable knowledge of the youth's family size.
